FOR

The Improvement of Arklow Harbour.

A.D. 1882.

WHEREAS by an Act of the Parliament of Ireland of the  
 thirty-second year of the reign of George the Third, chapter  
 twenty-four, intituled "An Act for the better enabling certain  
 persons to open and work mines, and to raise coal, culm, minerals,  
 5 " and fossils in this kingdom, and to open and improve the harbour  
 " of Arklow in the county of Wicklow, and to form a canal from  
 " the said harbour of Arklow to the Meetings Bridge, and to  
 " extend the same towards the Kilkenny collieries and the Glen-  
 " nader mines," the Hibernian Mine Company were incorporated  
 10 with divers powers for working mines and for opening and improv-  
 ing the harbour of Arklow, and for making and maintaining canals  
 and navigation works, with power to take tolls, rates, and duties  
 for vessels using their harbours and canals :

And whereas by an Act passed in the twenty-sixth year of the  
 15 reign of Her Majesty the Queen, intituled "An Act for the Amalga-  
 " nation of the Hibernian Mine Company with the Wicklow Copper  
 " Mine Company (Limited), and for other purposes ;" after reciting  
 amongst other things the said Act, and that the property of the Hiber-  
 nian Company comprised the quays of the harbour of Arklow, with  
 20 all the wharves and buildings thereon held in fee ; and that the Hiber-  
 nian Company had expended more than seventeen thousand pounds  
 on works for the improvement of the said harbour and for making it  
 fit for the reception of vessels and the landing and shipping of goods ;  
 and reciting that on the second day of February one thousand eight  
 25 hundred and fifty-eight the Wicklow Copper Mine Company was re-  
 gistered under the Joint Stock Companies Act, 1856, as a Company  
 with limited liability ; and that the two Companies were desirous  
 and it was expedient that the two Companies and their respective  
 undertakings, property, and effects should be amalgamated, it is  
 30 enacted that on the first day of September one thousand eight  
 hundred and sixty-three the two Companies should be thereby

[Bill 96.]

 26 Vict.  
 c. cclx.  
 (Local).

A.D. 1882. amalgamated into a new Company, which, by the name "the  
 "Wicklow Copper Mine Company," should be one body corporate  
 with the powers thereby given; and that the recited Act of the  
 Parliament of Ireland of the thirty-second year of George the  
 Third, chapter twenty-four, relating to the Hibernian Company 5  
 should be repealed, and that all the estates and property, including  
 the harbour of Arklow, of which the two Companies respectively  
 were seized or possessed, should be vested in the Wicklow Copper  
 Mine Company:

And whereas one of the objects for which the Wicklow Copper 10  
 Mine Company was incorporated was the maintaining, repairing,  
 and improving of the harbour of Arklow, and the channel, embank-  
 ments, piers, quays, wharves, buildings, and other works and  
 conveniences of and connected with the harbour, and the regulating 15  
 and controlling of the user of the same, and for any of those pur-  
 poses; and also for the purpose of erecting sluices and other works  
 for the improvement of the said harbour the Company may at all  
 times use the bridge of Arklow, provided they make good any  
 injury the bridge may sustain by their operations:

And whereas the said harbour of Arklow is an important station 20  
 and place of refuge for vessels employed in prosecuting the sea  
 fisheries on the east coast of Ireland, but the said harbour has of  
 late years been gradually silting up, and a bar is frequently formed  
 across the entrance thereto, whereby its value and usefulness are  
 materially injured: 25

And whereas it is expedient that the said harbour should be  
 deepened, extended, and otherwise improved, and the Wicklow  
 Copper Mine Company, being unable to undertake the execution of  
 the necessary works for that purpose, have agreed, in consideration  
 of the sum of five thousand pounds, to be paid as herein-after men- 30  
 tioned, to transfer to the Commissioners of Public Works in  
 Ireland (in this Act referred to as "the Board,") all their  
 estate, interest, and property in the said harbour of Arklow, and the  
 quays, wharves, and buildings connected therewith, as the same are  
 delineated in red in the tracing now deposited in the office of the 35  
 Board of Works in Dublin, and to which the seal of the Board has  
 been affixed, and all their rights in the same:

And whereas it is expedient that the Board should be authorised  
 to undertake the execution of the said works, and for that purpose  
 to advance by way of grant the sum of *fifteen thousand pounds*, 40  
 being one moiety of the estimated cost thereof, and to advance by  
 way of loan, on the security provided by this Act, the sum of  
*twenty thousand pounds*, being five thousand pounds for the price  
 to be paid to the Wicklow Copper Mine Company, together with the

other moiety of the estimated cost of the said works; and, if by reason of unforeseen circumstances the said estimated sum proves insufficient for the full completion of the works, to advance by way of further loan on the security of the rates leviable by the Town Commissioners of the town of Arklow such sum as may be necessary for that purpose:

And whereas the objects of this Act cannot be attained without the authority of Parliament:

Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in the present Parliament assembled, and by the authority of the same, as follows:

1. This Act may be cited as the Arklow Harbour Act, 1882. Short title.

*Advance of Money and Execution of Works.*

2. A special meeting shall be held in the Court House in Arklow on some day to be appointed by the Board within two months after the passing of this Act, of the justices and associated cesspayers, entitled to attend at the presentment sessions of the baronies of Arklow and Ballinacor South in the county of Wicklow, and of Gorey in the county of Wexford. Notice of such meeting shall be given once in each of two consecutive weeks before the day fixed for the same in two or more newspapers circulating in each of the counties of Wicklow and Wexford. At such meeting a person nominated by the Board shall preside, and the justices and associated cesspayers for each barony shall separately declare their opinion as to the expediency of charging the rates of the barony with the repayment of the whole or of a specified part of the said loan of twenty thousand pounds, with interest thereon, payable in the manner appearing in this Act.

3. If the justices and associated cesspayers of one only of the baronies declare their opinion to be in favour of such charge, they shall then proceed to declare their desire as to the period (not exceeding *fifty years*) within which the loan should be made repayable, having regard to the rate of interest fixed by the Treasury, by their minute dated the sixteenth day of August one thousand eight hundred and seventy-nine, for loans to which section two of the Public Works Loans Act, 1879, applies.

4. If the justices and associated cesspayers of more than one of the baronies declare their opinion to be in favour of such charge, they shall proceed jointly to declare their desire as to such period of repayment, having regard to the considerations aforesaid.

The chairman presiding at the meeting shall, by taking a vote in such manner as he thinks fit, ascertain and report to the Board

A.D. 1882.

Short title.

Special meeting to consider as to charging baronial rates with loan.

42 & 43 Vict. c. 77.

A.D. 1882. what are the resolutions of the justices and associated cesspayers with reference to the loan.

Charge upon  
baronies.  
Payment to  
Wicklow  
Copper Mine  
Company.  
Transfer of  
Harbour to  
Board.

3. If the Commissioners of Her Majesty's Treasury (in this Act referred to as the Treasury) are satisfied with the security offered by the justices and associated cesspayers of the three baronies or of any of them at such meeting, they may authorise the Board to carry this Act into effect, and to advance out of the moneys placed in their hands by Parliament the sum of *fifteen thousand pounds* by way of grant, and the sum of *twenty thousand pounds* by way of loan, and may by order declare the said baronies or some or one of them to be charged with the payment of the said sum of twenty thousand pounds, and interest. In case the justices and associated cesspayers of one only of the said baronies have agreed to charge the rates of the barony with the payment of the loan, the order shall declare that barony only to be charged. In case the justices and associated cesspayers of more than one barony have agreed to charge the rates of the baronies with the payment of specified portions of the loan, the order shall apportion the charge upon the same baronies accordingly. The barony or baronies declared by such order to be charged with any payments shall by virtue of this Act become charged with such payments accordingly.

42 & 43 Viet.  
c. 77.

All sums declared by the Treasury to be charged upon any barony shall be repayable within such period as the Treasury may at their discretion determine, at such rate of interest as the Treasury have fixed for loans to which section two of the Public Works Loans Act, 1879, applies; and otherwise upon the same terms and conditions as apply to loans made by the Board for purposes like to the purposes of this Act, under the Act of the session of the first and second years of the reign of King William the Fourth, chapter thirty-three, intituled, "An Act for the Extension and Promotion of Public Works in Ireland."

The Board may, upon being so authorised, out of any moneys placed in their hands by Parliament, lodge in the Bank of Ireland to the credit of the Wicklow Copper Mine Company the sum of *five thousand pounds*.

On such lodgment being made all the said harbour of Arklow, and the lands, piers, quays, wharves, and buildings thereof, or in any manner connected therewith (in this Act referred to as the harbour), as the same are delineated in red in the tracing now deposited in the office of the Board in Dublin, and to which the seal of the Board has been affixed (subject, however, to the reservation herein-after contained), and all rights and encumbrances connected therewith, shall be and the same are hereby transferred to and vested in the Board of Works for the purposes herein-after mentioned;

discharged from all estates, rights, titles, charges, and incumbrances whatsoever of the Wicklow Copper Mine Company, and of every other person, other than those of Her Majesty, Her heirs and successors :

A.D. 1882.

- 5 Provided, however, that the tramways, turntables, and weighing houses belonging to the Wicklow Copper Mine Company in connexion with the harbour, existing at the time of the passing of this Act, shall remain vested in the Company, with the exclusive right to use the same.

- 10 4. The Board may proceed with all necessary works for deepening, extending, and improving the harbour, and with such other works appertaining thereto, as they may deem fit and proper; and for that purpose, may do any matter or thing and shall have and may, if they think fit, exercise any right, power, or authority, with reference to such works which they might do, or would have if the work were undertaken by them under the provisions of the Act of the session of the ninth and tenth years of the reign of Her present Majesty, chapter three, and any Act amending the same, and may expend for that purpose, out of the moneys placed  
20 in their hands by Parliament, any sum not exceeding the sum of thirty thousand pounds.

Authority  
to execute  
works.

5. If at any time before the completion of the said works the Board reports to the Treasury that it would be desirable to expend any further sum in excess of the sum of thirty thousand pounds  
25 for the completion of the works, and recommends that a loan should be offered for that purpose upon the security herein-after mentioned, and the Treasury thinks fit to sanction such loan, then a special meeting of the Town Commissioners of the town of Arklow shall be held on some day to be appointed by the Board, at which the  
30 Town Commissioners shall declare their opinion as to the expediency of charging the rates of the town with the repayment of such further loan as may be offered to be advanced by the Board for the completion of the harbour in excess of the sum of thirty thousand pounds, or with such limited sum for the like purpose as the  
35 Town Commissioners think proper to approve.

Special  
meeting to  
consider as  
to charging  
town rates  
with ex-  
penditure in  
excess of  
estimate.

For the assistance of the Town Commissioners, a person nominated by the Board shall be present at such meeting.

- If the Town Commissioners pass a resolution in favour of such charge, the Treasury may by order declare all property in the  
40 town rateable by the Town Commissioners under the powers conferred on them by the Towns Improvement (Ireland) Act, 1854, to be charged with the payment of the whole of such further loan and interest, or with such limited sum and interest as

A.D. 1862. the Town Commissioners shall, by their resolution, have approved. And such rateable property shall by virtue of this Act become charged with such payment accordingly. All sums declared by the Treasury to be charged upon the town shall be repayable within such period as the Treasury may at their discretion determine, at such rate of interest as the Treasury have fixed for loans to which section two of the Public Works Loans Act, 1879, applies; and otherwise upon the same terms and conditions as apply to loans made by the Board for purposes like to the purposes of this Act, under the Act of the session of the first and second years of the reign of King William the Fourth, chapter thirty-three, intitled, "An Act for the Extension and Promotion of Public Works in Ireland."

42 & 43 Vict. c. 77. Payments by baronies. 6. On the completion of the works, or at such other time as the Treasury may direct, the Board shall make an order declaring the sums payable by the said baronies, or some or one of them, on account of the loan referred to in this Act.

Such sums shall be raised from time to time by grand jury presentments, the first of which shall be made at the assizes next after the making of the order by the Board.

And the Board shall, before each assizes, make out a certificate for each of the counties of Wicklow and Wexford, or for one of them, as the case may be, specifying the amount then payable by any barony in such county under this Act. The Board shall transmit the certificate to the secretary of the grand jury of the county, to be laid before the grand jury, and thereupon the grand jury shall, without any previous application to presentment sessions, make a presentment for the amount specified in such certificate as payable by the barony or baronies therein specified; and in default of such presentment the amount shall be raised by an order of the judge of assize, which shall have the force of a presentment.

The amount raised in such presentment shall be paid to the Board in such manner as the Treasury may from time to time direct.

Payments by town of Arklow. 7. In case any further loan in excess of the estimated sum of thirty thousand pounds has been advanced by the Board for the completion of the harbour, and the rateable property in the town of Arklow has been declared by the order of the Treasury to be charged with the payment of any sum on account thereof, the Board shall, on the completion of the works, or at such other time as the Treasury may direct, make an order declaring the sums payable by the town on account of such further loan. The Board shall annually, or at such intervals as they think fit, make out a certificate specifying the amount then payable by the town under this Act. The Board shall transmit the

certificate to the town clerk to be laid before the Town Commissioners. The sums specified in such certificate shall be raised from time to time by the Town Commissioners, by a special rate, to be in addition to any rates which they are empowered to make under the Towns Improvement (Ireland) Act, 1854. The provisions of the said Act relative to the making and enforcement of rates, and the partial exemption of certain classes of property, shall apply to any rate made under this Act.

A.D. 1882.

Every certificate of the Board under this Act shall be conclusive evidence of all facts and circumstances necessary to authorise the making of it.

8. Upon the completion of the works authorised to be constructed by the Board under this Act, or at such other time as the Treasury may direct, the Board may, with the consent of the Treasury, by order under their seal, declare that the harbour shall from a time to be named in such order be vested in the Harbour Commissioners constituted under this Act; and thereupon the harbour, and all the property connected therewith by this Act transferred to the Board shall, without any conveyance thereof, be transferred to and vested in the Harbour Commissioners, for the purposes of this Act.

Transfer of harbour to Harbour Commissioners.

*Constitution and Powers of Harbour Commissioners.*

9. For the purposes of this Act there shall be Harbour Commissioners, not exceeding seven in number, which Commissioners and their successors are hereby constituted a body corporate by the name of the Arklow Harbour Commissioners, and by that name shall be one body corporate, with perpetual succession and a common seal, and with power to purchase, take, hold, and dispose of land and other property for the purposes but subject to the restrictions of this Act.

One Commissioner shall be appointed by the Treasury; one Commissioner shall be appointed by each barony upon which any charge is imposed under this Act; and three Commissioners shall be appointed by the Town Commissioners of the town of Arklow: Provided, that if only one barony becomes chargeable under this Act, that barony shall appoint two Commissioners; and in that event, and also in the event of only two baronies becoming chargeable under this Act, the number of Commissioners to be appointed by the Town Commissioners of the town of Arklow shall be reduced to two:

- (5.) In case the Town Commissioners of the town of Arklow fail to make any appointment, which they are from time to time required to make in conformity with this Act, within one month after being required by the Treasury to do so, and in case the justices and associated cess-payers of any barony fail to make any such 20 appointment at the next ordinary presentment sessions for the barony after they have been required by the Treasury, by notice addressed to the secretary of the grand jury of the county, to do so, then the Treasury, instead of the authority so failing, shall for that turn appoint a Commissioner or Commissioners. 25
- The powers of the Commissioners shall not be dependent upon the whole number of Commissioners being at any one and the same time in office.

A.D. 1882.

13. The provisions of the Harbours, Docks, and Piers Clauses Act, 1847, with respect to warehouses and cranes; and with respect to the rules to be taken by the undertakers; and with respect to the collection of rates; and with respect to harbour masters, dock masters, and pier masters; and with respect to the discharge of cargoes and removal of goods; and with respect to the protection of the harbour, dock, and pier; and with respect to lighthouses, beacons, and buoys; and with respect to byelaws; and with respect to the recovery of damages and penalties; shall be incorporated with this Act, so far as the same may be applicable and not inconsistent with any of the provisions of this Act, and for the purpose of such incorporation this Act shall be deemed to be the special Act, and the Board until the transfer of the Harbour to the Harbour Commissioners shall be taken to mean the undertakers, and after such transfer the Harbour Commissioners shall be taken to mean the undertakers; Provided, that the rates to be fixed by the Harbour Commissioners shall be subject to the approval of the Treasury.
